EDUCATION

Qualification	Institution	Year	Score
MCA	Aurora PG College	2023–2025	8.0 CGPA
B Sc Computer Science	Sree Anantha Padmanabha Degree College	2020–2023	8.27 CGPA
Intermediate (MPC)	ACR’S Bhrungy Junior College	2015–2017	807 Marks
SSC	Chaitanya High School	2015	8.3 CGPA

PROFESSIONAL SUMMARY

Motivated MCA graduate with hands-on experience in **DevOps, Cloud Computing, and CI/CD pipelines**. Skilled in automating deployments, containerization using Docker, and working with AWS cloud services. Strong foundation in Linux and infrastructure automation tools. Seeking an entry-level **DevOps/Cloud Engineer** role.

TECHNICAL SKILLS

Programming: Python, HTML, CSS
DevOps Tools: Git, Jenkins, Docker, Kubernetes
Cloud Platform: AWS (EC2, S3, IAM)
Infrastructure as Code: Terraform, Ansible
Monitoring Tools: Prometheus, Grafana
Database: MySQL
Operating System: Linux

PROJECT EXPERIENCE

Code Compilation and Deployment to Application Server
Built an end-to-end CI/CD pipeline for code compilation and deployment
Integrated Git, Jenkins, and Maven for automated build processes
Deployed applications using Docker for consistent environments
Improved deployment efficiency and reduced manual intervention
Implemented monitoring using Prometheus and Grafana

INTERNSHIP EXPERIENCE

Technical Support Intern
VXI Global Solutions | June 2022 – Dec 2022
Troubleshoot software, hardware, and network-related issues
Improved first-call resolution rate by 20%
Collaborated with internal teams for faster issue resolution

CERTIFICATIONS

AWS with DevOps – Xtreameotech Institute
